

Order Code: KYB-MED-LUX-BLUW (USB WHITE with RED Backlighting)
 Accuratus AccuMed LUX- USB 105 Key Compact Sealed Washable IP68 Medical / Clinical Keyboard
 with Adjustable RED LED backlighting

About

The Accuratus AccuMed Lux is a compact size backlit medical grade keyboard with adjustable brightness red LED backlighting, perfect for use when lighting levels are reduced. The Accuratus range of medical grade keyboards & mice are specifically designed for environments which have to meet very high hygienic requirements such as hospitals, dental practices, cosmetic surgeries, doctors, vets, laboratories and in food & pharmaceutical production areas. Not only could these keyboards be used in hygienic areas, they would also be perfect in dusty, dirty and wet situations like workshops, boats and in vehicles. Our Accuratus range have all been designed so that there are no areas around the keys and buttons where dirt and germs can collect, the AccuMed Value is quick and easy to wipe clean, the perfect combination to aid with bacteria, virus, fungi and algae control.
