

# Laptop/Tablet Stand

---

The Mousetrapp Laptop/Tablet Stand is the best partner of iPad, E-Reader, Laptop and Tablet PC. Its ergonomic design helps users solve the problems associated with poor posture. The Laptop/Tablet Stand has 6 levels of visual height adjustment. Its ability to adjust leads to improved heat dispersal while also contributing to a compact and portable design.

## Benefits of Laptop Stand

Are you feeling tired in your neck and shoulders? Maybe it's a matter of the wrong posture while working on your laptop or tablet. The Mousetrapp Laptop/Tablet Stand helps you keep your head in an ergonomic position. By keeping your eyes in the right height on a comfortable distance your work will be smoother and more enjoyable. If you still occasionally feel pain in your arm, neck or shoulder – have a closer look of our product line of ergonomic mouse solutions that has helped many to avoid unnecessary pain.
